Book Excerpts

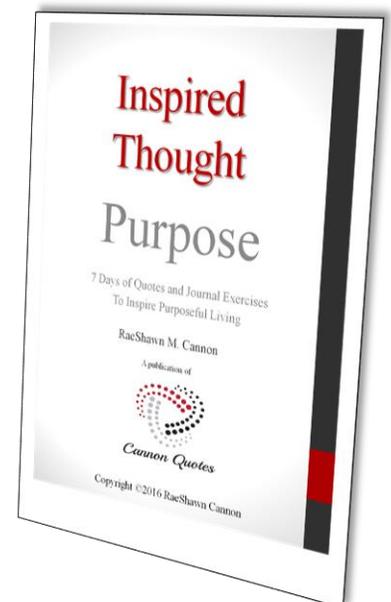

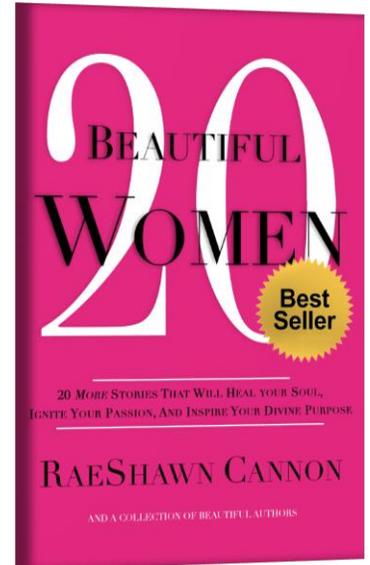

20 Beautiful Women

I AM BEAUTIFUL! It took me more than thirty years to say that out loud for fear that you would not agree...”

I'll never forget a time I had totally relinquished my insecurity. Someone told me that my scar was beautiful. I politely said thanks, but I thought clearly he's delusional. How can a scar be beautiful? It was then when I had the revelation of my life. My scar had a story to tell, but for years, my insecurities shouted volumes above it. The story my scar told was one of a woman who learned to smile through adversity knowing that better days would come. The scar told the story of a woman who learned a lesson in true forgiveness and was able to rekindle the lost relationship with her former best friend. She has now witnessed one of the most rewarding and genuine friendships ever experienced.

Inspired Thought: Purpose

“Many of us have great potential, and there is so much in us that begs to come forth. The undying need for us to accomplish the purpose for which we were put on this earth eats at us. It invades our dreams, and grips our hearts. It begs for us to take action...You must take action!”
